

LOOPHOS

- Toilet cleaner & descaler
- Suitable for stainless steel areas
- Removes heavy scaling & stains

Product Information

DESCRIPTION:

Loophos is an acid based toilet cleaner and descaler, which removes heavy scaling and stains and eliminates odours. Removes urea and algae deposits from toilets, urinals, bowls and ceramic tile areas. Works quickly and is economical to use. Suitable for use on stainless steel areas.

Loophos contains less than 10% phosphoric acid.

INSTRUCTIONS:

For initial cleaning, apply neat to remove heavy deposits and stains. For subsequent general cleaning, dilute with up to 10 parts water, leave for 5 minutes before rinsing with clean water.

PRECAUTIONS:

Only use clean water if diluting. Do not mix with other cleaning products, bleach, etc. Do not use in conjunction with any other products. Spillages should be mopped up immediately.

STORAGE:

Store in a cool, dry place. Protect from frost. Keep out of the reach of children.

HEALTH AND SAFETY:

For full health and safety information, please refer to the product Material Safety Data Sheet.

The information provided herein is correct to the best of our knowledge. No liability for any errors or omissions is accepted. You should satisfy yourself by appropriate trials that the product is suitable for the intended use.
